

AUDIO

JBL Pro SoundBar PSB-2

2.0 channel commercial-grade soundbar with HDMI (CEC) and Bluetooth.

SKU

JBL PSB-2

BRAND

JBL - Harman - AKG

SLUG

jbl-psb-2

The JBL Pro SoundBar PSB-2 is a 2.0 channel commercial-grade soundbar with HDMI and Bluetooth, designed for focused in-room audio in hospitality and corporate environments.

A simplified HDMI input with CEC lets the display's remote control the soundbar directly, while effortless Bluetooth connectivity gives guests and presenters instant wireless playback. The result is flexibility and ease of use for staff and guests alike.

Key highlights

- Focused in-room audio
- Clarity at any level
- Effortless Bluetooth connectivity and control
- Simplified HDMI input with CEC control of the soundbar
- Flexibility and ease of use
