The Omniex OPC06 is a professional hotel room corded telephone built from durable ABS plastic for daily guest-room use. The customizable logo plate lets properties brand the faceplate with their own artwork, dialling guide or welcome message.

Voicemail / voice-mail support, a wired LAN connection and moistureproof construction make the OPC06 suitable for humid guest-room environments. It is supplied with a 3-year warranty and compact packaging (15 x 21 x 15 cm, 0.768 kg gross weight).

Key highlights

- Professional hotel room corded telephone
- Customizable logo plate
- Durable ABS plastic construction
- Voicemail / voice mail support
- Wired LAN connectivity
- Moistureproof design
- 3-year warranty
