The Antique Gold & Black Ornate bezel is a ornate renaissance revival-styled decorative surround engineered for the 55" Samsung The Frame (LS03 / hospitality HF03H). The most decorative frame in the collection: a broad, flat antique-gold face with a heavily distressed patina, framed by a carved band of black scrollwork whose raised motifs are picked out in gold. The dark relief gives the frame real depth on camera and on the wall, and the wide profile suits large-format 65" and 75" installations in heritage lobbies, restaurants and signature suites.

It clips onto the factory magnetic bezel mount in under a minute with no tools, no wall works and no impact on the display warranty - so housekeeping can swap styles per suite or per season.

Key highlights

- Fits Samsung The Frame 55"
- Tool-free magnetic mount
- Distressed antique gold with black relief ornament
- Flame-retardant contract grade
