The Rococo Ivory bezel is a rococo-styled decorative surround engineered for the 55" Samsung The Frame (LS03 / hospitality HF03H). A wide, quietly elegant scoop profile finished in warm ivory over a silver base, rubbed back along the crests so a faint pewter shimmer shows through. The stepped inner and outer edges give the frame depth without ornament, so it flatters soft, painterly artwork and disappears gracefully into panelled or plaster interiors. The lightest and most understated bezel in the range.

It clips onto the factory magnetic bezel mount in under a minute with no tools, no wall works and no impact on the display warranty - so housekeeping can swap styles per suite or per season.
