The Gilded Gold bezel is a traditional-styled decorative surround engineered for the 55" Samsung The Frame (LS03 / hospitality HF03H). A timeless gallery frame in bright gilded gold, with gentle darker shading in the recesses that gives it the depth of hand-applied leaf. Several fine reeded steps run from the outer edge down to a slim inner lip around the screen, with crisp mitred corners. Elegant without being ornate, it suits landscape and classic artwork on warm neutral walls, dark furniture and traditional or heritage interiors.

It clips onto the display's back cover in under a minute with no tools, no wall works and no impact on the display warranty - so housekeeping can swap styles per suite or per season.
